

ACCOUNTANT

Media Bridge Advertising is looking for a full-time Accountant to join our Finance Team. Benefits include not only health insurance and 401(k), but also quarterly profit-sharing and a travel program that lets YOU select your business destination. Plus, instead of sitting in a Dilbertian cubicle, you get to work in our cool North Loop office in Minneapolis and enjoy all the free espresso and LaCroix you want—or grab a workout in our in-house gym.

What we're looking for is an experienced accountant who will work directly with our CFO to help manage the company's finances. Daily obligations will include financial reporting, commissions calculations, payroll, invoicing, AR/AP, cash and credit management, tax prep and data analysis. Because this position will be so important to our agency's financial health, we're seeking a dedicated person who can help with our accounting needs, as well as evaluate new ideas and strategies.

Media Bridge has been named to the *Inc. 5000* list of fastest-growing privately held companies in America three years in a row by embracing our philosophy of Media the Way It Should Be™. That means aggressively negotiating top-notch media value for our clients through a process of unprecedented accountability, transparency and integrity. A surge in new business has opened up this new opportunity, and we're looking for the right fit in several ways.
